CTI LOGISTICS LIMITED

Notes to the condensed consolidated financial statements

31 December 2010

1. BASIS OF PREPARATION OF HALF-YEAR REPORT

This general purpose financial report for the half-year reporting period ended 31 December 2010 has been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

This interim financial report does not include all the notes of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2010 and any public announcements made by CTI Logistics Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period.

(a) Impact of standards issued but not yet applied by the entity

In December 2009, the AASB issued AASB9 *Financial Instruments* which addresses the classification and measurement of financial assets and is likely to affect the group's accounting for its financial assets. The standard is not applicable until 1 January 2013 but is available for early adoption. The group is yet to assess its full impact. However, initial indications are that it may affect the group's accounting for its available-for-sale financial assets, since AASB 9 only permits the recognition of fair value gains and losses in other comprehensive income if they relate to equity investments that are not held for trading. Fair value gains and losses on available-for sale debt investments, for example, will therefore have to be recognised directly in profit or loss. The group has not yet decided when to adopt AASB 9.

2. SEGMENT INFORMATION

(a) Description of segments

Management has determined the operating segments based on the reports reviewed by the group's CEO.

The group's CEO considers the business from a product and services perspective and has identified two reportable segments: logistics and transport and property.

The reportable segments are involved in the following operations:

- Logistics and transport services - includes the provision of courier, taxi truck, parcel distribution, fleet management, warehousing and distribution and document storage services.
- Property - rental of owner-occupied and investment property.

"Other" segments include the manufacturing of plastics products and provision of security services. Neither of these segments meets any of the quantitative thresholds for determining the reportable segments.

The group's CEO assesses the performance of the operating segments based on segment profit before income tax.

Independent auditor's review report to the members of CTI Logistics Limited

Report on the financial report

We have reviewed the accompanying half-year financial report of CTI Logistics Limited, which comprises the condensed consolidated statement of financial position as at 31 December 2010, condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, notes 1 to 6 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the Group comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' responsibility for the half-year financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Group's financial position as at 31 December 2010 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As auditor of CTI Logistics Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of CTI Logistics Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2010 and of its performance for the half-year ended on that date; and
