ALTERNATIVE 2: PARTICIPATE IN THE DRP

Shareholders may elect to participate in the DRP and reinvest part or all of their relevant Dividends in additional fully paid ordinary shares in CTI. The Dividend on the balance of your shareholding (if any) will be paid in cash. The number of shares issued pursuant to the DRP and the issue price will be in accordance with the Rules of the DRP and will be either:

- (i) the price determined by the Board in its discretion and announced to ASX as the fixed price per share (if any) at which shares will be issued pursuant to the DRP;
or, if there is no fixed price determined by the Board for the relevant Dividend:
- (ii) the price derived by applying a discount (as determined by the Board), subject to any maximum and/or minimum price (as determined by the Board), to the volume weighted average market price of CTI shares (on an ex-dividend basis) during the five trading days immediately preceding and inclusive of the Record Date for the relevant Dividend (free of any brokerage, commission, stamp duty and other transaction costs), subject to the discretion of the Board to determine the market price in certain circumstances.

ALTERNATIVE 3: PARTICIPATE IN THE BSP

Shareholders may elect to participate in the BSP and receive fully paid ordinary bonus shares in CTI in lieu of part or all of their relevant Dividends that, but for the election to participate in the BSP, would have been payable to them. The Dividend on the balance of your shareholding (if any) will be paid in cash. The number of shares issued pursuant to the BSP will be in accordance with the Rules of the BSP and will be either:

- (i) the amount determined by the Board in its discretion and announced to ASX as the fixed price per share (if any); or, if there is no fixed amount determined by the Board for the relevant Dividend:
- (ii) the amount derived by applying a discount (as determined by the Board), subject to any maximum and/or minimum amount (as determined by the Board), to the volume weighted average market price of CTI shares (on an ex-dividend basis) during the five trading days immediately preceding and inclusive of the Record Date for the relevant Dividend (free of any brokerage, commission, stamp duty and other transaction costs), subject to the discretion of the Board to determine the market price in certain circumstances.

ALTERNATIVE 4: ANY COMBINATION OF CASH/DRP/BSP

ALTERNATIVE 3: PARTICIPATE IN THE BSP

ALTERNATIVE 4: ANY COMBINATION OF CASH/DRP/BSP

If you wish to participate in the DRP and/or BSP with respect to relevant Dividends for part or all of your shareholding (i.e. if you decide either Alternative 2, 3 or 4 suits your particular circumstances), you must complete the Election Form enclosed with this Information Booklet and ensure that it is received at the Share Registry, Computershare Investor Services Pty Limited, GPO Box 2975, Melbourne, Victoria 3001 by 5pm on the relevant DRP/BSP Election Date for the relevant Dividend.

FEATURES OF THE PLANS

Number of Shares Issued and Issue Price of Shares:

Under the DRP, relevant Dividends payable in cash on shares participating in the DRP will be applied by the Company on your behalf in subscribing for fully paid ordinary shares in CTI. Such shares will be issued at either:

- (i) the price determined by the Board in its absolute discretion and announced to ASX as the fixed price per share (if any) at which shares will be issued pursuant to the DRP; or, if there is no fixed price determined by the Board for the relevant Dividend:
- (ii) the price derived by applying a discount (to be determined by the Board), subject to any maximum and/or minimum price (as determined by the Board), to the volume weighted average market price (on an ex-dividend basis) of CTI shares during the five trading days subsequent to and inclusive of the Ex-Dividend Date for the relevant Dividend provided however that where no sales are recorded over the aforementioned period or if, in the opinion of the Board, in its absolute discretion, the market for shares in the Company is affected by any unusual or extraordinary circumstances, the "market price" of CTI shares means the fair ex-dividend market value of CTI shares given the relevant circumstances as determined by Board in its absolute discretion.

Under the BSP, shareholders elect to receive fully paid ordinary bonus shares in CTI in lieu of relevant Dividends that, but for the election to participate in the BSP, would have been payable to them. The number of bonus shares allotted will be calculated by dividing a sum based on the relevant Dividend which would have been declared on the shares participating in the BSP, as if they had not been participating in the BSP, by either:

- (i) the amount determined by the Board in its absolute discretion and announced to ASX as the fixed price per share (if any); and
- (ii) the amount derived by applying a discount (to be determined by the Board), subject to any maximum and/or minimum amount (as determined by the Board), to the volume weighted average market price (on an ex-dividend basis) of CTI shares during the five trading days immediately preceding and inclusive of the Record Date for the relevant Dividend provided however that where no sales are recorded over the aforementioned period or if, in the opinion of the Board, in its absolute discretion, the market for shares in the Company is affected by any unusual or extraordinary circumstances, the "market price" of CTI shares means the fair ex-dividend market value of CTI shares given the relevant circumstances as determined by Board in its absolute discretion.

Ranking of Shares: Shares issued pursuant to the Plans will rank equally in all respects with all other fully paid ordinary shares on issue.

No Costs: Shares issued pursuant to the Plans will be allotted free of any brokerage, commission, stamp duty and other transaction costs.

Share Statements: Statements will be issued as soon as practicable after the shares are issued pursuant to the Plans.

Variation and Modification of Rules: The Board may vary or modify the Rules of the Plans from time to time and at any time as it considers appropriate.

Suspension, Termination or Recommencement: The Board may suspend, terminate or recommence the operation of the Plans from time to time and at any time it considers appropriate.

TIME PERIODS FOR ELECTION

If you wish to participate in the Plans, your Election Form must have been received at the Share Registry by the DRP/BSP Election Date which is three Business Days after the Record Date for the relevant Dividend.

If you have elected to participate in the Plans, you cannot vary that election other than by submitting a Variation Notice prior to the DRP/BSP Election Date for the relevant Dividend.

VARIATION OF ELECTION

Subject to the Rules of the Plans, if you wish to vary your previous election you may do so by delivery to the Share Registry of a Variation Notice by the DRP/BSP Election Date for the relevant Dividend.

ELIGIBILITY TO PARTICIPATE

Subject to any applicable law, all shareholders are eligible to participate in the Plans.

The Board may determine that shareholders are not eligible to participate in the Plans if they have registered addresses in a country or place where the offer of a right to participate would or might be unlawful, impossible or impracticable.

Without limitation to its discretion, the Board has determined that it is currently impracticable for participation in the Plans to be offered to shareholders whose addresses are other than Australia or New Zealand.

TAXATION POSITION

The precise taxation position of shareholders under the Plans will depend upon their particular circumstances. Shareholders should seek and rely upon their own taxation advice in relation to the Plans and neither the Company nor any of its officers or advisers nor the Share Registry accepts any liability or responsibility in respect of the taxation consequences for shareholders of participating in the Plans.
